Nak-Kanak: Journal of Child Research

Vol. 2 (3), August 2025

Nak-Kanak: Journal of Child Researches, ISSN Print: 3047-504X; Online: 3047-1168, Published by Early Childhood Education Teacher Education Study Program, Faculty of Science Education, University of Trunojoyo Madura, posted four a year in February, May, August, and November. We invite scientists, scholars, researchers, as well as professionals in the field of early childhood education to publish their research in our Journal. The Journal is a professional publication for academics, government, and non-government agencies, early childhood practitioners, such as classroom teachers, child care providers, and teacher educators, all of whom are dedicated to the education and care of young children, from birth to eight years.

Scientific paper submitted to this journal should follow the following guidelines:

- The manuscript has never been published and is the result of a research;
- Written either in Indonesian language or in English using the standard of academic writing;
- The manuscript is written using the style of Nak-Kanak: Journal of Child Research;
- The manuscript is written within 5000 to 6000 words by applying APA style of bodynote writing (American Psychological Association of Style 7th edition);
- It is recommended to write the manuscript using Mendeley or Zotero software as its reference management.
- The manuscript is submitted online;
- The manuscript submitted would be categorized into three: accepted, need to be revised, and rejected.
